RITABRATO PANI

ABOUT ME

With a keen interest in software design and a desire to pursue a career in software development, I aim to further develop my practical knowledge in this field and enhance my professional skills while effectively and efficiently tackling challenges.

COMMUNICATION SKILLS

- Able to communicate and cooperate with team members efficiently
- Working collaboratively
- Organizational Skills

COMPUTER SKILL

- Programming Languages such as: C/C++, JAVA, Python, HTML, CSS, JS
- Data Structure in C, JAVA, Python
- Operating System, Computer Networks, Database and Management System, Machine Learning
- Web Development (HTML, CSS, JavaScript, PHP, NodeJS, MonoDB, React)
- Android Development (Android studio, java, Kotlin, Flutter)
- Spring Boot
- Working On Machine Learning Plant Disease detection (YOLO model)
- Swing, Applet
- SQL, PLSQL, Shell scripting, MATLAB

INTERESTS & HOBBIES

- Reading books
- Backpacking
- Chess
- Listening to music
